

Anupam Poudel

I am a self-motivated and self-dedicated person with a Bachelor's Degree in Computer Science and Information Technology. I am a fast learner with strong English communication and documentation skills. I have a significant passion for teamwork and collaboration. Worked more than 4 months as a Frontend Developer and more than 4 months as a Fullstack developer. I also have been involved in several Freelancing Fullstack Projects as well. I have experience in working with the latest Javascript Technologies.
